

REQUEST FOR DONATION TO OUR LIVESTOCK PROJECT

WOMEN'S GROUP of the UMOJA KITALE CHURCH OF CHRIST WITH EVERLASTING GOSPEL

Description of the Community served by our Women's Group Organization:

Our church Women's Group activities are based in a rental building in a poor slum of Kitale town in the village of Umoja, located in northwest Kenya in the Namanjalalala sublocation, Trans-Nzoia District, Rift valley. This area is characterized by many social and environmental problems, including a high rate of HIV/AIDS, poverty, and illiteracy. Poverty and illiteracy are increasing every day as a result of the HIV/AIDS pandemic. In the Namanjala suburb, our Women's Group is the only hope for those children left without any parents due to HIV, land clashes and post-election victims. For these children, the Women's Group is looked upon as a mother for the orphaned who guarantee them security, hope, faith, and a bright future.

What's Needed to Start Our Women's Group Livestock Project:

Our Women's Group hopes to establish a project to raise livestock that will provide income as a basis for sustainability to our organization, and to help create avenues for expansion to reach more needy people in the community. The critical needs for our livestock project are:

- Two cows -- \$1298 (USD)
- A half-acre plot - \$3896 (USD)
- Shade shelter for the cows – \$519 (USD)

Total Needed: \$5713 (USD)

With your donation of any amount to help start this project, the children served by our Women's Group will be provided with basic needs, and also many women will come out of poverty from the income generated. To make a donation, send an email to Pastor Alfred of the Umoja Kitale Church of Christ of Everlasting Gospel by clicking on the "Send e-mail" button on the left side of the homepage. God bless you for your support!
